

Good Morning Tamaya residents,

The Beach Community Development District Staff continues to monitor local, state and federal communications, guidelines, recommendations and advisories regarding COVID-19.

As of September 1, 2020, the outdoor amenity facilities are now open to guests. The outdoor amenity facilities include, the tennis courts, basketball courts, playground, event lawn, and pools. This does **not** include the fitness center and the amenity center. The regulation of 50% capacity is still in effect for all amenities. Residents and guests still need to adhere to COVID guidelines and social distancing. The resident check-in will continue at the breezeway gate. If these guidelines are not followed the CDD could restrict guests or change the policies in the future.

The District will notify you of any change to operations and we will continue to make decisions based on governmental recommendations, which may and have changed rapidly.

While we recognize the disruption is less than ideal, the health and safety of District residents, guests and on-site staff is of utmost importance. Please continue to monitor the District's website at www.beachcdd.com and your e-mail for further updates. Thank you for your patience and cooperation as we all work together in this unprecedented time.

Thanks,

District Staff
